

 **TOYOTA** FJ Cruiser 2007

IN AN FJ WORLD, THERE ARE NO BOUNDARIES.

MEMO TO ANYONE WHO HAS EVER HEARD THE CALL OF THE WILD:

You owe it to yourself to take a moment and explore the all-new 2007 FJ Cruiser.

Its lineage is impeccable, since it's the heir to the off-road throne that was occupied for a remarkable 24 years by its predecessor, the legendary Toyota Land Cruiser FJ40. Like its precursor and any Toyota Truck, quality, durability and reliability are all included – but the design enhancements, interior refinements, innovative touches, and tough-as-nails off-road capabilities are totally 21st century. As to where it can take you, there are no boundaries. You'll discover that legends don't die, they're reincarnated.

WHERE IS IT WRITTEN THAT THE END OF THE ROAD IS THE END OF THE ROAD.

MUSIC FROM ON HIGH: Even the sound system is a revelation. All packages feature an unprecedented innovation in sound design. As well as having speakers in the instrument panel and door, high-range speakers have been integrated into the headliner to immerse you and your passengers in a virtual "sound shower".

#### FJ CRUISER FEATURES:

- The dark interior colour schemes not only look great, they hide dirt too
- Water repellent seat covers are amazingly easy to clean
- Horizontal pipes accent the sporty instrument panel that's designed for maximum ease of use
- Resin-type flooring makes clean-up almost enjoyable
- The driver and front seat passenger have legroom and headroom to spare
- Large, easy-to-operate door handles and heater controls
- The centre audio and climate control console is colour-keyed to match the outside body colour

## THE INSIDE STORY.

If there's any doubt whatsoever that the FJ Cruiser wasn't built with functionality in mind, two seconds behind the wheel will put that thought to rest. Every interior feature has been designed for an active, outdoor lifestyle that embraces ruggedness, comfort, and easy maintenance. The inside story is that the FJ Cruiser delivers on all counts.

## THINK OF THE POSSIBILITIES...

### SPACE AND THEN SOME:

With a cargo capacity of 1.89 cubic metres (66.8 cubic feet) space should never be a problem. The water repellent cargo area is easy to clean and the top-level package comes with a 400-watt, 115-volt cargo bed power outlet that's capable of powering up a portable television or all your electronic games.

The FJ can comfortably carry you and four passengers, but when you put down the double fold rear seats you're looking at enough space to carry anything from an inflatable dinghy to camping gear and all your scuba diving equipment. The possibilities are endless.

### FJ CRUISER FEATURES:

- Both rear seats are easily detachable for even larger cargo area
- Up front storage space includes a large capacity glove box and lidded compartments in front of the gauges
- There are handy storage pockets in the front door trim, rear door trim plus a 500 ml bottle holder
- The rear storage area has tie down rings, hooks and 2 large side storage compartments

## THE ROAD LESS TRAVELLED JUST MET ITS MATCH.

The FJ Cruiser, like any Toyota Truck, can effortlessly deliver a smooth, comfortable ride on city roads or highways, but once the FJ Cruiser is off the beaten track it's in its element. Much

of its superlative performance is largely due to a powerful 4.0 Litre V6 engine with dual overhead cams, Variable Valve Timing with intelligence (VVT-i) and sequential electronic fuel injection that produces 239 hp at 5200 rpm. After all, it was engineered to tackle frozen tundra, equatorial jungles and everything else in between. A little excursion to your favourite wilderness destination is just a walk in the park for the FJ Cruiser.

### SPECIFICATIONS:

- There's a choice of two transmissions: a 6-speed manual with overdrive that operates in full-time 4WD or a 5-speed automatic Super Electronically Controlled Transmission (Super ECT) with overdrive, a gate-type shifter and lock-up torque converter that delivers part-time 4WD
- The inspiration for the FJ Cruiser's specially modified drivetrain, chassis, power steering and rugged suspension system came from another Toyota success story, the remarkable Toyota Tacoma
- The FJ Cruiser's powerful 4.0 Litre V6 engine puts out 278 lb.ft. at 3800 rpm, has an impressive towing capacity of 2268 kg (5000 lbs) and a payload of 601 kg (1325 lbs)

**YOUR PEACE OF MIND IS TOP OF MIND.** Our first concern always has been and always will be your safety. So it shouldn't come as any surprise that every FJ Cruiser is loaded with features to make your on-road and off-road driving experience as safe and worry-free as possible.

- Standard Antilock Braking System (ABS) with Electronic Brake force Distribution (EBD) and Brake Assist (BA)
- Standard Vehicle Stability Control (VSC) and Traction Control (TRAC)
- Standard dual stage airbags for driver and front passenger
- 12.6-in. front ventilated disc brakes and 12.3-in. rear ventilated disc brakes
- Safety options include: Active Traction Control System (ATRAC), Clearance and back-up sensor, front and rear head/side curtain airbags

Above left and top: FJ Cruiser new VVT-i engine and instrument panel.

Enhance the look and functionality of your new FJ Cruiser by choosing from the following list of Accessories:

- All-season mats
- Ashtray & lighter
- Auxiliary lighting
- Block heater

**DRESS IT UP. DRIVE IT OUT.**

Express yourself. Take your Toyota FJ Cruiser to a whole new level of self-expression by adding any of the Toyota Accessories custom designed for your model. It's a great way to personalize your new vehicle, optimize its appearance and enhance the performance all at the same time. Ask your Toyota Dealer. To find the Toyota Dealer nearest you, go to [toyota.ca](http://toyota.ca) or call 1-888-TOYOTA-8.

FJ Cruiser all dressed up with a roof rack and side step bars.

**2007 FJ CRUISER COLOURS**

2JT (3P2) Black Cherry Pearl

2JR (1D4) Titanium Silver

2JU (5A3) Sun Fusion

2JV (8T6) Voodoo Blue

2JW (211) Black Diamond

Dark Charcoal Fabric on all models

**NEW VEHICLE WARRANTY SUMMARY**

No Deductibles – No Transfer Fees

**Comprehensive Coverage – 3 years or 60,000 km**

This warranty includes 24 hour Roadside Assistance and other benefits, as well as coverage of repairs on any part of the vehicle that is defective in material or workmanship under normal use and maintenance. Different warranties apply to original tires.

**Powertrain Components – 5 years or 100,000 km**

This warranty covers repairs to powertrain components that are defective in material or workmanship under normal use and maintenance.

**Major Emission Control Components – 8 years or 130,000 km**

This warranty covers repairs to specified major emission components that are defective in material or workmanship under normal use and maintenance.

**Corrosion Perforation – 5 years unlimited distance**

Any sheet metal found, under normal use, to have developed a perforation from corrosion due to defects in material or workmanship.

**VEHICLE COVERAGE**

With Extra Care Protection you receive inflation protected coverage from mechanical failures, road emergencies, and much more. It's the most affordable way to guarantee your peace of mind. Consult your Toyota Dealer for details.

**TOYOTA EXPERIENCE** Toyota Dealers The part you can't replace are dedicated to making the experience of owning a Toyota both satisfying and rewarding. Our highly skilled, Toyota-trained technicians are here to make sure you enjoy many years of trouble-free driving. "That new Toyota feeling - we help you keep it."

If you're looking at leasing or financing, we're here to help. We provide competitive interest rates, flexible terms, and an easy online pre-approval process. The toughest decision should be choosing which Toyota you want. Visit us at [www.toyotafinancialservices.ca](http://www.toyotafinancialservices.ca).

\* Airbag Notice: The 2007 FJ Cruiser features a driver & front passenger airbag Supplemental Restraint System (SRS) which activates only in a full-frontal collision of sufficient magnitude to inflate the bags. In moderate frontal collisions, the airbags may not inflate; in a rear or side collision the airbags are designed not to inflate, so the primary protection is provided by the lap and shoulder belt system. The 2007 FJ Cruiser also features an optional front seat-mounted side airbag and front head/side curtain airbag Supplemental Restraint System (SRS) which activates only in a side-impact collision of sufficient magnitude to inflate the bags. *Seatbelts must be worn at all times by all occupants.*
